CITIZEN/OFFICIAL COMMENTS:

Sara Sladek addressed the council regarding the trash cans within the city. She stated her trash day was changed from Thursday to Friday. The 400 & 500 block of 5<sup>th</sup> street had several trash cans sitting out past the pickup day. She feels it does not look nice for the citizens or those visiting the city. She also stated that several people are dumping trash and furniture out by the curbs and its being left there for weeks at a time. She feels no one should have to look at the garbage. She also questioned why those who fought so hard to have the new Rec Center built are now leaving the city.

Mayor Stalcup asked Kristen Burns to step up and give an update on what's going on in Downtown Wood River and the comprehensive plan.

Kristen stated on July 28<sup>th</sup> the city and the library are having a meeting at the library called "What's Up Downtown". It allows people to know what's going on downtown and to sample food. It is open to all residents. The city is also doing a Comprehensive Plan Survey. She hopes to receive a lot of feedback from it in comparison to the Bike Route survey. She stated over 450 people have registered to start receiving the newsletter via email. Councilman Plank asked if the survey could be shared. Kristen stated it would be sent via email and posted on social media which can then be shared with others.

Councilwoman Hagaman asked what time "What's Up Downtown" will be taking place on the 28<sup>th</sup>. Kristen stated it would run 6:30pm to 8:00pm

Mayor Stalcup stated August 1<sup>st</sup> is the date set to implement the City's new website which has a lot of information and is user-friendly.
