Testing Procedure

1. **Applications:** Application packets must be returned to the Wood River City Clerk's Office no later than **Friday October 27th, 2023** at 5:00 PM

Physical Agility Examination: The City of Wood River uses the Candidate Physical Ability Test (CPAT) set forth by the IAFF/IAFC Joint Labor Management Wellness-Fitness Initiative. A 35-foot ladder climb is also required in addition to the CPAT test as required by Illinois Public Act 97-0251. Wood River Fire Department does not administer the CPAT. There are several CPAT test locations across the country; however, the closest location is the St. Louis County Fire Academy. Please see their website <https://stlcofireacademy.com/cpat/> or you can call 1-314-889-8670 for more information. There is a fee of \$150.00 that must be paid by the applicant to the St. Louis County Fire Academy for this testing. This fee will allow the applicant (5) different time slots to either practice or challenge the C.P.A.T. test. St. Louis County Fire Academy also provides the required 35-foot ladder climb test, for a fee of \$10.00. This is the candidate's responsibility to schedule and complete. It is strongly recommended you prepare for this and register as soon as possible.

You must show proof of a valid CPAT card and ladder climb endorsement the day of the oral examination.

2. **Written Examination:** Scheduled for **Saturday December 2nd, 2023** at Wood River Fire Department located at 501 E. Edwardsville Rd. Wood River, Illinois 62095. Check-in will start promptly at 8:45AM. **No candidate will be allowed entry after 9:00AM.**
3. **Oral Interview:** Scheduled for **Wednesday December 20th, 2023**. Those candidates that pass the written examination will receive notification of an oral interview by US Mail, to the address provided by the candidate at the time of application. Valid CPAT card with ladder climb endorsement will need presented.
4. **Post Preliminary List:** A preliminary list will be posted and mailed to each candidate following the oral interviews. This will be sent to the address provided by the candidate at time of application. Candidates will have 10 days to claim, in writing, any preference points (ascertain merit) allowed by law.
5. **Final Eligibility List Certified and Posted:** A final eligibility list will be certified by the Board of Fire Commissioners and posted at Wood River City Hall and the Wood River Fire Department. A copy will be mailed to each candidate. This list will remain in effect for a period of 2 years.
6. **Offer of Employment:** If the Fire & Police Commission determines that a position is available, and the candidate expresses positive interest, an offer of employment will be made contingent

on the candidate passing a complete criminal background investigation, psychological assessment, a thorough medical physical examination.

7. **Residency requirements:** Upon hire, the employee will be required to comply with the City of Wood River residency requirements within 12 months of their official date of employment. Currently this requirement is 3.5-mile radius.
8. **Training requirements:** If NOT already OSFM Basic Operations Firefighter/Firefighter II (NFPA 1001 - Firefighter 1 equivalent) and/or IDPH E.M.T.-B licensed. By the end of the 12-month probationary period the employee will have obtained OSFM Basic Operations Firefighter/Firefighter II or NFPA 1001/Firefighter 1 equivalent, AND IDPH E.M.T.-B license. The probationary firefighter will attend certified fire academy and accredited EMS program for either or both as needed. This is considered the baseline education/training for all full-time employees.
9. **ALS provider requirement:** Upon hire, as needed and AFTER completing the OSFM Basic Operations Firefighter certification and IDPH E.M.T.-B licensing, the employee will be required to obtain and maintain a State of Illinois Paramedic or PHRN License. It is understood, obtaining the paramedic or PHRN license is a condition of employment, and the paramedic program may extend beyond the 12-month probation period. This remains a known condition of employment per state statute, and probation period is extended for successfully completing the paramedic program and licensing. It is understood this is required as an 'obtain and maintain license' so long as the fire department maintains an IDPH Advanced Life Support service.

Questions about this application packet or process can be directed to Fire Chief Wade Stahlhut at the fire station 618-259-0984 x 2.

City of Wood River Job Description

Class Title: Firefighter - EMT / Engineer

- A) Firefighter-EMT / Engineer is the rank directly below and subordinate to the Fire Captain as appointed by the City Manager, through the selection process of the Board of Fire and Police Commissioners. A Firefighter's duties shall include all of the following, as well as additional duties not listed or as directed by a Captain, Deputy Fire Chief, or Fire Chief.
- B) Firefighter-EMT / Engineer shall:
- a. Perform daily station and apparatus inspections and maintenance, conduct fire prevention inspections as assigned, perform follow up inspections where directed by the Captain, complete updated pre-fire plans, and assist with public education activities.
 - b. Firefighter's shall, be familiar with all streets, hydrants, and business locations, keep proficient in present department operations and strive to advance themselves in progressive fire service techniques, codes, and prevention practices. He / She shall assist with on the job training of new firefighters during their probationary period, instructing new firefighters both with new and hands on applications.
 - c. On the fire ground, Firefighter's shall act as engineers for assigned apparatus, securing water supply, and charging lines with sufficient pressure for suppression and other operations. When designated by a Captain or Chief, he may act as a section, division, or crew leader under the department Incident Command System. When assigned as ICS Officer he shall direct all personnel under him to perform assigned tactical operations and be responsible for one of the following RECEOS (Rescue, Exposures, Confinement, Extinguishment, Overhaul, and Salvage) assignments according to department operational procedures. At times, he/she may also act in other assigned roles of the Incident Command System.
 - d. A firefighter further, when acting in the capacity of Shift Commander, shall also assume those duties outlined for the on duty Captain.
- C) Type of Work or Duties Performed (These examples do not list all the duties which may be assigned; any one position may not include all the duties listed)
- 1) Engages in firefighting and fire prevention activities and the saving of lives and property; maintains fire department equipment and quarters.
 - 2) Responds to fire alarms with company; lays and connects hose, hold nozzle and directs water stream; raises and climbs ladders; uses chemical lines and extinguishers; uses various hand tools and other equipment.
 - 3) Makes forcible entry into buildings when necessary; ventilation of buildings to alleviate smoke and gases; opens walls and other structures which impede effective firefighting.
 - 4) Drives and operates various fire apparatus such as Engines and Aerial apparatus; operates engine so that water pressure in the hose and nozzle is maintained for most effective operations; performs general maintenance on apparatus.
 - 5) Performs general maintenance work in the upkeep of fire department property; cleans and washes walls and floors; hangs and dries hose; washes, cleans, polishes, and test apparatus.

- 6) Performs rescue operations from burning buildings, vehicle crashes, and other emergencies as called upon.
- 7) Pre-plans inspections and makes layout sketches; inspects homes and commercial establishments for violations of fire safety codes or apparent fire hazards; writes correction orders and enforces code.
- 8) Performs salvage operations such as placing salvage covers, sweeping water, and removing debris.
- 9) Detects evidence of arson and reports to superior; performs preliminary investigation upon suspicion of arson.
- 10) Responds to a variety of emergency and non-emergency requests.
- 11) Participates in a variety of public relations projects, such as speeches in schools, parades, and demonstrations during Fire Prevention Week.
- 12) May be called upon at any time for emergency duties.
- 13) Performs related work as assigned.
- 14) Operate both as a member of a team and independently at incidents of uncertain duration.
- 15) Spend extensive time outside exposed to the elements.
- 16) Tolerate extreme fluctuations in temperature while performing duties. Must perform physically demanding work in hot (Up to 400 degrees), (up to 100 percent) atmospheres while wearing equipment that significantly impairs body-cooling mechanisms.
- 17) Experience frequent transition from hot to cold and from humid to dry atmospheres.
- 18) Work in wet, icy, or muddy areas.
- 19) Perform a variety of tasks on slippery, hazardous surfaces as on rooftops or from ladders.
- 20) Work in areas where sustaining traumatic or thermal injuries is possible.
- 21) Face exposure to carcinogenic dust such as asbestos, toxic substances such as hydrogen cyanide, acids, carbon monoxide, or organic solvents either through inhalation or skin contact.
- 22) Face exposure to infectious agents such as hepatitis B or HIV.
- 23) Wear personal protective equipment that weighs approximately 50 lbs. while performing firefighting tasks.
- 24) Perform physically demanding work while wearing positive pressure breathing equipment.
- 25) Perform complex tasks during life-threatening emergencies.
- 26) Work for long periods of time, requiring sustained physical activity and intense concentration.
- 27) Face life-or-death decisions during emergency conditions.
- 28) Be exposed to grotesque sights and smells associated with major trauma and burn victims.
- 29) Make rapid transitions from rest to near-maximal exertion without warm-up periods.
- 30) Operate in environments of high noise, poor visibility, limited mobility, at heights, and in enclosed or confined spaces.
- 31) Use manual and power tools in the performance of duties.
- 32) Rely on senses of sight, hearing, smell, and touch to help determine the nature of the emergency, maintain personal safety, and make critical decisions in a confused, chaotic, and potentially life threatening environment throughout the duration of the operation.
- 33) Must wear approved or issued turnout clothing and gear, or any other safety equipment while performing their duties as firefighters. (exceptions at Fire Chief's discretion)

- 34) Must obey all reasonable orders given by the Fire Chief, Shift Commander, or higher ranking officer of the department.
- 35) Must not report for duty in a condition that would be considered harmful to himself and others while performing his duties as a firefighter, or in a condition such that his actions would be detrimental to the Fire Department image as a whole.
- 36) Must observe all City and State traffic laws when responding to an alarm in their private vehicle.
- 37) Must carry his/her portable pager with him/her whenever possible and is expected to report any malfunction or inoperable units as soon as possible.

D). Minimum Qualifications Required

- 1) Must meet residency requirements within 12 mos. of employment.
- 2) Must be 21 years of age.
- 3) Must hold or have the ability to obtain a valid Illinois driver's license and have their own means of transportation, either as owner or be the insured driver of record.
- 4) Must be physically capable to perform the duties of a Firefighter / Engineer.
- 5) Ability to learn a wide variety of firefighting duties and methods within a reasonable probationary period.
- 6) Ability to carry out work assignments involving danger to life and health.
- 7) Ability to develop mechanical skills in the operation of fire equipment and apparatus.
- 8) Ability and sufficient strength, agility, and endurance to perform strenuous work under adverse and dangerous conditions.
- 9) Ability to understand and follow oral and written instructions.
- 10) Ability to establish and maintain effective working and living relationships with other employees.
- 11) Ability to operate motor vehicles safely (Class B License Required).
- 12) Ability to perform routine station house maintenance work.
- 13) Ability to work at heights and within confined areas.
- 14) Ability to learn and carry out first aid principles and practices.
- 15) Ability to meet requirements as established by the State of Illinois, and the Fire and Police Commission.
- 16) OSFM Firefighter Basic / Firefighter II or above or NFPA 1001 Firefighter I equivalent.
- 17) Illinois EMT-B license or National Registry EMT-B or above licensure at the time of application.

AUTHORIZATION

ACKNOWLEDGEMENT/CONSENT
BACKGROUND AND CREDIT HISTORY

As part of the application process for employment as a police officer or fire fighter with the Police or Fire Department of the City of Wood River, Illinois, the undersigned applicant has been informed and understands that an investigation may be made whereby information is obtained through personal interviews with the applicants neighbors, friends, or others with whom the applicant is associated or acquainted. This inquiry includes, as appropriate, information as to the applicant's character, general reputation, personal characteristics and mode of living. The applicant have the right, within a reasonable period of time, to make a request in writing to receive additional, detailed information about the nature and scope of this investigation.

In addition, the undersigned has been informed that part of the background investigation contemplated hereunder may include the employment of a consumer reporting agency to obtain information related to the applicant's credit history. Furthermore, the applicant acknowledges that he consents and authorizes the City of Wood River, it agents and or assigns, to conduct a background investigation and to request a report of his or her credit history. The applicant also acknowledges that said applicant has been advised of his or her creditor's rights, as follows:

Applicant has the right under federal law, on request and the presentment of proper identification, to obtain from the above-named consumer reporting agency the following disclosures:

1. The nature and substance of all information in its files (except medical information) on you at the time of the request.
2. The sources of the information.
3. The creditors to whom the consumer-reporting agency has furnished reports within the six-month period preceding the request.

The reporting agency is required by law to provide trained personnel to explain any information furnished to you, and you may be accompanied by one other person of your choosing when you visit the agency. If another person accompanies you, he or she must furnish reasonable identification, and the agency may require you to furnish a written statement granting permission to the agency's personnel to discuss your file in the others person's presence.

Federal Law provides three methods by which you may obtain these disclosures from the consumer reporting agency:

1. You may appear in person at the agency during normal business hours and on reasonable notice to the agency, provided you furnish reasonable identification.
2. You may receive the information by telephone, provided you have first made written request of the agency to obtain disclosures by this means. You must pay any toll charge involved, and may be required to provide proper identification.
3. If the consumer credit reporting agency was responsible in any way for denial of credit to you, you may obtain from the agency an explanation in writing free of charge.

The undersigned agrees and consents to the release of such information to the Board of Fire and Police Commissioners of the City of Wood River, as the applicant's prospective employer.
