*On Saturday, August 10, 2024, the City of Wood River in coordination with the Village of East Alton honored the return of Olympic Track Star, Jayden Ulrich. The City of Wood River recognizes Jayden for her remarkable accomplishments and wishes her the best of luck in her future endeavors!*

## Public Services – Project Updates

**Wood River Avenue Phase 1 and 2** – This is a rotomill and resurfacing project on Wood River Avenue from East Alton Village limits to Ferguson Avenue. All intersections will be upgraded to handicap accessible. There will be new striping for this length of road. The current construction cost estimate is \$1,350,000. Project design has been completed and is on IDOT's November 2024 Bid Letting. Project construction costs are covered 75% by the State and 25% by the County. Project construction will hopefully begin within a month of bidding.

**Edwardsville Road Water Main Improvements – Phase 3** – The project will continue the new 12" water main along Edwardsville Road, from Haller to Whitelaw. The total cost of the project is approximately \$200,000, including engineering. Construction is anticipated to begin in late Spring 2025.

**Water/Sewer Billing:** Check out Page 4 for billing schedule information.

If you are over the age of 62, please bring your ID and/or social security award letter to the Finance Department to see if you qualify for a penalty waiver.

# 1% Sales Tax – Project Updates

**State Street Sewer Separation** – This project consists of separating the combined sewers in the State Street Area. The area is bound by Wood River Avenue, Old St. Louis Road, Edwardsville Road, and State Route 143. The current construction cost estimate is \$20,825,000. Project construction costs are covered 75% by the Corp and 25% by the City. The City received notice of 3.5 million dollar grant from the Corp of Engineers to complete phase 1, as well as notice of pending 3.5 million for phase 2. Construction began May 2024 on Jennings Avenue for phase 1 and will last approximately 1 year. Phase 2 should begin shortly thereafter and will also last approximately 1 year.

**9<sup>th</sup> Street Detention Expansion** – Project will expand the capacity of the 6th Street detention pond and create a new detention pond located on City owned property just east of 9th Street and allow all the homes in that area to be removed from the flood zone. The current project cost estimate is 8.0 million dollars with \$850,000 recently allocated from the Federal Government in March 2024. Construction is currently estimated to begin Spring 2025 and will last approximately 9 months.

**Sidewalk Project (Various)** – This project will replace sidewalks in various locations. The total project construction cost is approximately \$500,000. Work started at the Roundhouse and moved south along Whitelaw and will continue through the end of October 2024.

## Police News

Did you know you have a Police Officer assigned to your address? The entire City has been divided into districts. Every address in the City has an officer assigned. The officer's duties for their districts are to provide another avenue for you to ask questions or work out a particular issue if you do not feel comfortable making a police report. This is another path for Wood River P.D. to be connected with our great community. If you want to find out who is assigned to your address, e-mail our Administrative Assistant Erica Chalcraft at [echalcraft@woodriverpolice.com](mailto:echalcraft@woodriverpolice.com).

### Reminders from the Police Department:

- Many people must park on the roadway. If you do park on the streets, please make sure you are parked facing the right direction with the flow of traffic.
- Do not block driveways.
- Do not park across the sidewalk.
- Do not park in front yards.
- Any vehicle parked on the street must have a valid registration.
- Unattached trailers/R.V.'s cannot be parked on the streets at any time.
- Any vehicle parked on your property must have a valid registration and not be considered a derelict vehicle.

## POLICE NEW HIRES

**Joel Woodruff** was hired in June 2024 as a 9-1-1 Telecommunicator. Joel is a 2019 graduate of Roxana High School and is currently finishing his Criminal Justice degree at SIUE. Joel has ambitions of eventually testing and transitioning to a patrol officer.

**Joshua Holliday** was hired in July 2024 as a 9-1-1 Telecommunicator. Joshua has a background in private security and Emergency Medical Services which allows him to bring unique experiences and perspective to the 9-1-1 Center.

## Bulk Pickups/Recycling

Those houses with Republic Services trash service get **TWO FREE** bulk item pickups per calendar year. Residents must pre-schedule these pickups by calling Republic Services Customer Service at 618-656-6883. How do you know which cart is used for recycling only? The cart will have a powder blue lid or yellow lid. Always remember to have your cart out at the curb by 6am on your service day.

Republic services gives you one simple tool to manage your recycling, waste, and account needs. You can schedule a pick up, find a recycling schedule, and more! Visit [RepublicServices.com/account](http://RepublicServices.com/account) to sign up or download the app.

## Fire News

October is fire prevention month and October 6<sup>th</sup> to October 12<sup>th</sup> is officially fire prevention week. This is an important time to educate our community about fire safety practices in your home.

Having and practicing a home fire escape plan is critical to ensure your family is best prepared in the event of a fire. This includes knowing two ways out, having an outside meeting place, and an understanding when you're out...you stay out (never go back in)! If there is smoke, make sure to stay low to the floor. Teach young ones to know when to call 9-1-1 and have a plan for multiple floor and basement emergencies.

### Fire Chief Recommendations:

- Smoke detectors within 15 feet of sleeping areas.
- Smoke detectors in each sleeping area and each floor of occupancy and/or stairwells.
- Replace batteries every 6 months.
- Replace smoke detectors every 8-10 years.
- Carbon Monoxide detector in each occupancy.
- Have and practice a home fire escape plan.
- Contact the Fire Station at 618-259-0984 to schedule your home Life Safety Inspection.

**\*\*For more info read the Smoke Detector Act 425 ILCS 60\*\***

Congratulations to Captain Scott Crump on his promotion to Fire Captain.

## Hydrant Flushing

The City flushes and tests fire hydrants twice a year. These times include the beginning of May and the beginning of October. Residents may experience discoloration of their water. However, the water will continue to be safe to drink. Residents may want to avoid doing laundry during this time to avoid discoloration of clothing. Despite the inconvenience of the discolored water, it is necessary to flush fire hydrants to remove any sediment that may have settled in the water mains and to ensure the hydrants remain in good working order. If you have any questions, please call Public Services at 618-251-3133.

Stay up to date with Wood River Museum and Visitor Center, Chapel and Camp DuBois events and programs by checking out our website: woodriverillinoismuseum.org and the Wood River Heritage Council Facebook page.

# Appearance Board

Plant containers were filled with soil and flowers in May along the Ferguson Avenue business district. The Committee also cleaned and planted flowers in the permanent containers in the Madison Avenue parking lot. New flags and ropes were ordered to update the poles.

May also marked the first of the Appearance Awards for businesses and residences. The committee had more community participation this year than in the past – a total of 20 residences and businesses were submitted for the ten awards. New and established businesses were recognized by the Committee.

Businesses and residences submitted but not receiving this year’s awards were sent certificates with letters of accommodations. It should be noted that this list is kept by the committee for the beginning of the following year to kick-off the awards.

Spooktacular Awards will be presented to businesses and residences again this year. This will be the third annual event recognizing Halloween decorations by the Community. Submissions should be submitted to City Hall between October 11 & October 18, 2024.
