Hydrant Flushing

Upper Left: Cart path repaving project underway at Belk Park Golf Course, improving accessibility and course conditions for golfers.

Bottom Left: Newly paved walking trail around the Police Department offers residents a fresh space for outdoor activity and exercise.

Upper Right: Dwiggin's Baseball Field at Emerick Sports Complex receives a fresh renovation, just in time for the upcoming season.

Bottom Right: Construction in progress on the State Street Sewer Separation Project, a major infrastructure improvement for the City of Wood River.

Public Services – Project Updates

Wood River Avenue Phase 1 and 2 – This is a rotomill and resurfacing project on Wood River Avenue from East Alton Village limits to Ferguson Avenue. All intersections will be upgraded to be handicap accessible. There will be new striping for this length of road. The current construction cost estimate is \$1,350,000. Project design has been completed and has a hopeful bid date sometime between June of 2025 and January of 2026. This timeline depends on the State Street Sewer Separation Project. It cannot be constructed until the Wood River Avenue part of that project is completed. Project construction costs are covered 75% by the State and 25% by the County. Project construction will hopefully begin within a month of bidding.

Edwardsville Road Phase 1 and 2 – This is a rotomill and resurfacing project on Edwardsville Road, from East Alton Village limits to approximately 6th Street in Wood River. Intersections will be upgraded to be handicap accessible. This project is a 2025-26 project and is anticipated to bid as early as January 2026. Project construction costs are covered 75% by the State and 25% by the County. Project has begun engineering. The total construction cost is estimated to be \$1,300,000.

Edwardsville Road Water Main Improvements – Phase 3 – This project will continue the new 12" water main along Edwardsville Road from Haller Street to Whitelaw Avenue. The total cost of the project is approximately \$200,000 including engineering. Construction is anticipated to begin late Spring 2025.

Public Services 1% Sales Tax – Project Updates

State Street Sewer Separation – This project consists of separating the combined sewers in the State Street area. The area is bound by Wood River Avenue, Old St. Louis Road, Edwardsville Road, and State Route 143. The current construction cost estimate is \$20,825,000. Project construction costs are covered 75% by the Corp of Engineers and 25% by the City. The City received notice of a 3.5-million-dollar grant from the Corp of Engineers to complete Phase 1, as well as notice of pending \$3.5 million for Phase 2. Construction started in May 2024 for Phase 1 and will last approximately a year and a half. Due to field issues, construction progress has been slower and the project scope for Phase 1 has changed. Construction costs are anticipated to increase to \$9.2 million for Phase 1. The current anticipated completion date for Phase 1 is December 2025.

9th Street Detention Expansion – This project will expand the capacity of the 6th Street retention pond and create a new detention pond located on City owned property just east of 9th Street and allow the homes in that area to be removed from the flood zone. The current project estimate is \$8 million with \$850,000 recently allocated from the Federal Government in March 2024. Project requires environmental clearances before the City can complete engineering design and begin construction. Construction is currently estimated to begin Fall 2025 and will last approximately 18 months.

Sidewalk Replacement (Various Locations) – This project will replace sidewalks in various locations in conjunction with the City’s overlay projects. The total project construction cost is approximately \$500,000. Progress is ongoing, and the City continues making sidewalk improvements as funding allows.

Jackson Ln. & Vaughn Dr. Water Main Improvements – This project will replace an aging 4-inch water main with a new 8-inch water main along Jackson Lane and new 6-inch water main along Vaughn Drive. Construction is anticipated to begin early Summer 2025.

First-Time Home Buyer Program

Are you thinking about buying your first home? The City of Wood River may be able to assist with up to \$5,000 for first-time home buyers purchasing an owner-occupied home within City limits. For more details, visit woodriver.org or contact the Finance Director at 618-251-3134 or by email at kweber@cityofwoodriver.com.

The City flushes and tests fire hydrants twice a year. These times include the beginning of May and the beginning of October. Residents may experience discoloration of their water. However, the water will continue to be safe to drink.

Residents may want to avoid doing laundry during this time to avoid discoloration of clothing. Despite the inconvenience of the discolored water, it is necessary to flush fire hydrants to remove any sediment that may have settled in the water mains and to ensure the hydrants remain in good working order.

POLICE OFFICER & TELECOMMUNICATOR OF THE YEAR 2024

Officer Geoffrey Fester has been with the Wood River Police Department for over four years. Officer Fester consistently ranks among the top in documented activity within the department, and is a member of the St. Louis Area Metropolitan Major Case Squad. Officer Fester's commendable qualities include his attention to detail, exceptional work ethic, and sincere compassion for victims. Officer Fester makes a difference in our community every day.

Telecommunicator Brendan Lenhardt has been a Dispatcher for the Wood River Police Department for five years. He successfully completed the state-approved Communications Training Officer Program and continues to go above and beyond offering to assist in various areas in Dispatch. Telecommunicator Lenhardt demonstrates exceptional leadership, skill, dedication, and commitment to excellence.

POLICE NEW HIRE

Christopher Barnes was hired in October 2024. Officer Barnes was previously employed with the South Roxana Police Department and has over 20 years of experience.

POLICE NEWS

Did you know you have a Police Officer assigned to your address? The entire City has been divided into districts. Every address in the City has an officer assigned. The officer's duties for their districts are to provide another avenue for you to ask questions or work out a particular issue if you do not feel comfortable making a police report. This is another path for Wood River P.D. to be connected with our great community. If you want to find out who is assigned to your address, e-mail our Administrative Assistant Erica Chalcraft at echalcraft@woodriverpolice.com.

FIRE DEPARTMENT NEW HIRES

Probationary Firefighter Will Korinek was hired in October 2024. He is currently attending the Firefighter Academy at the University of Illinois Fire Service Institute and is scheduled to graduate in May 2025.

The City of Wood River and the Wood River Fire Department are happy to welcome seven new Probationary Paid-On-Call Firefighters: Nick Brousseau, Angelina Conn, Anika Galbraith, Dillon Gerner, Dalton Pryor, John Russell, and Shawn Vannatta

The City of Wood River has an ISO Class 3 Rating because of the hard work of the WRFD!

Reminders from the Police Department:

- Many people must park on the roadway. If you do park on the streets, please make sure you are parked facing the right direction with the flow of traffic.
- Do not block driveways.
- Do not park across the sidewalk.
- Do not park in front yards.
- Any vehicle parked on the street must have a valid registration.
- Unattached trailers/R.V.'s cannot be parked on the streets at any time.
- Any vehicle parked on your property must have a valid registration and not be considered a derelict vehicle.

FIRE DEPARTMENT REMINDERS

POOL SAFETY DO'S & DON'TS

- ✓ Have rules for your pool and ensure everyone knows them- restate them often
- ✓ Keep children away from the filter inlet, which can draw young children underwater
- ✓ Install Fencing to keep people out of the pool area without your knowledge
- ✓ Evacuate the pool during a thunderstorm or in the rain
- ✓ If you have children in your pool, make sure they know how to swim or have them wear protective flotation devices, but don't rely on these devices to exclusively protect the child.
- ✗ Don't Allow glass or sharp, breakable items in the pool area
- ✗ Don't swim alone
- ✗ Don't Leave children unattended in or near the pool area for any reason
- ✗ Don't allow adults who have been drinking alcohol into the pool area. Alcohol and swimming don't mix.
- ✗ Don't Allow running, diving, pushing, or dunking in your pool

Fire Chief Recommendations:

- Install 10-year lithium-ion sealed smoke detectors.
- Smoke detectors within 15 feet of sleeping areas.
- Smoke detectors in each sleeping area and each floor of occupancy and/or stairwells.
- Replace batteries every 6 months.
- Replace smoke detectors every 8-10 years.
- Carbon Monoxide detector in each occupancy.
- Have and practice a home fire escape plan.

The Fire Department provides Life Safety inspections for all residents and occupancies in the City. Partnered with the OSFM and Red Cross, smoke detectors are available for property owners in need or otherwise determined appropriate. Contact the Fire Station at 618-259-0984 to schedule your home Life Safety Inspection.

Heritage Council

Museum Hours – Starting in March 2025, the Museum and Visitor Center’s regular public hours will be Saturdays from 1:00 p.m. to 4:00 p.m., but special arrangements can be made to visit the Museum during other times. Please contact the Museum at 618-254-1993 and leave a message regarding when you would like to arrange a visit.

Did you know?

Between 1928 and 1958, Wood River was the home of the Wood River Bottling Works, located at 430 N. First Street. The owner, Alfred W. Bohlen, bottled "Howdy" soda for The Howdy Company, founded by Mr. Charles Leiper Grigg, Circa: 1920, and was located in St. Louis. The Howdy Company later became known as the 7-Up Company. Howdy soda flavors included, but were not limited to, lemon-lime, cream, root beer, and imitation black cherry.

The Museum has several photographs associated with the bottling company and Howdy Soda on display. Do you remember the Bottling works and “Howdy” Soda? If so, let the Wood River Heritage Council know by posting your memories on the Wood River Heritage Council Facebook page or let us know by contacting the museum and leaving a message at 618-254-1993.

Rendezvous at Camp DuBois – The next Rendezvous at Camp DuBois will be October 25 & 26, 2025. The Rendezvous is open to the public free of charge.

Historic Wood River Chapel – The Historic Wood River Chapel can be rented for small events, weddings, vow renewals, or small meetings. Please contact Becky Gray, 618-304-7434, for more information about renting the chapel.

We invite you to visit the Wood River Museum & Visitors Center located at 40 W. Ferguson, Wood River, IL to learn more about the city you live in. If you are interested in learning and preserving the history of Wood River and the region, contact us about volunteer and research opportunities at the Museum and Camp DuBois.

Youth Programs
